I authorize the release of any information including the diagnosis and the records of any treatment or examination rendered to me or my child during the period of such care to third party payers, billing agents and or other practitioners as is required for authorization or billing purposes.

I authorize and request my insurance company to pay directly to the therapist insurance benefits otherwise payable to me.

I understand that my insurance carrier may pay less than the actual bill for services. I agree to be responsible for payment of all services rendered on my behalf or my dependents.
